Service(s) Requested: (Please check)

Behavior Consultation

- On-going assistance to staff in changing student behavior
- Initial and follow-up visits to school/classroom on regular schedule (Length of services depends upon student/staff)
- Provides written recommendations to help guide staff in responding to student behavior
- May be provided to non-classified students if recommended through I&RST or school recommendation/request
- Fee includes two to three student observations, as applicable. Additional observations will be charged at an additional hourly rate.

Functional Behavior Assessment

- Involves data collection, staff interviews, and observations by ESU professional staff at two to three settings (classroom, playground, specials, etc)
- Review of background and ongoing behavioral data supplied by the school district
- Results in a formal report with behavioral and instructional recommendations
- Parent Interview (optional- please check one) YES NO

Functional Behavior Assessment with Behavior Intervention Plan

- Involves data collection, staff interviews, and observations by ESU professional staff at two to three sites (classroom, playground, specials, etc)
- Review of background and ongoing behavioral data supplied by the school district
- Results in a formal report with behavioral and instructional recommendations AND a suggested Behavior Intervention Plan (BIP)
- Parent Interview (optional- please check one) YES NO

Do you require the ESU professional at the IEP conference at an additional hourly rate? YES NO

** Note: Out of county school districts requesting service/s will incur destination charges to/from service locations outside of Burlington County per the Professional Services Agreement.*
